WHOLE PLAIN STREWN BY ARMENIAN BODIES

Turks and Kurds Reported to have Massacred Men, Women and Children.

London, March 19. — Appalling accounts of conditions in Armenia have reached the officials in London of the Armenian Red Cross Fund and have been given out by them.

The latest recital is from an Armenian doctor named Derderian, who says that the whole plain of Alashgerd is virtually covered with the bodies of men, women, and children.

When the Russian forces retreated from this district the Kurds fell upon the helpless people and shut them up in mosques. The men were killed and the women were carried away to the mountains.

The organizers of the Red Cross Fund say there are 120,000 destitute Armenians now in the Caucasus.
